Dear Parents/Guardians:

Students entering the 6th grade who live 1 mile or more are entitled to yellow Bus Transportation or a full fare metro card. Students who live at least 1/2 a mile from the school but less than 1 mile are entitled to a Metro Card. If you are interested in having your child use Yellow Bus transportation you must live at least one mile from the school, fill out the form below and return the form to Cunningham. Eligible students may only be registered for one mode of transportation, Yellow bus or Metro card.

The Office of Pupil Transportation will post the approved bus stops for the 2021-2022 school year within the next week. Listed on the back of this letter are the approved bus stops, locations and estimated time of pick-up from the previous year, subject to change if needed. Students must meet the bus at the assigned location at the estimated time. Students will return to the same location in the afternoon. If you prefer to have your child dropped off at a different bus stop in the afternoon, please indicate so on the transportation slip. It is important parents speak with the bus driver during the first week of school to find out the actual pick-up time. Students must arrive 10 minutes early in the morning to their designated bus stop. The buses will not wait for any child who is not on time.

All students using the school bus must be registered with the Office of Pupil Transportation. This includes children who are using the bus one-way. If you are interested in Yellow bus service for your child, please complete the tear-off below and return to Ms. Schnell (Assistant Principal) or fill out the Yellow Bus Permission Form in the orientation Video. If you do not select the Yellow bus option, your child (if eligible) will be issued a Metro card and expected to use public transportation.

If you have any questions or concerns please feel free to call Marjorie Guttenplan, our Parent Coordinator, or Natalie Pellegrino at 718-645-1334 ext. 2630

Sincerely,

AnnMarie Schnell
